THE PARTICULARS ARE *(If additional paper is needed, attach extra sheet(s))*:

Mr. McDowell is a pre-med student at Xavier University in New Orleans, Louisiana and was visiting Santa Fe and Northern New Mexico in connection to a class trip. Mr. McDowell was staying at a hotel nearby Allsup's Convenience Store, located at 650 Cerrillos Rd., Santa Fe, NM 87501 (Allsup's).

On August 3, 2018, at approximately 8:00 p.m., Mr. McDowell went into the Allsup's store to purchase snacks. Allsup's had three employees working in the store so far as Mr. McDowell could tell. Mr. McDowell purchased "Sour Patch Kids" and before exiting the store decided he wanted some other snacks before going back to his hotel. So, Mr. McDowell began perusing other items in the store. While continuing to look at items in the store one of the employees told Mr. McDowell that he looked "suspicious and sneaky". Mr. McDowell questioned the employee's remarks, and nevertheless continued to scan items. Mr. McDowell then noticed the employee appeared to be on the phone with 911, so Mr. McDowell started to record the employee with his cell phone. The employee called 911 and explicitly stated that she wanted Mr. McDowell removed from the store because he was "arrogant and Black". The law enforcement CAD report related to the situation indicates it was communicated over the dispatch that, "There is a kid at the store that is Black and she wants him to be removed."

Law enforcement eventually came to the Allsup's and questioned Mr. McDowell outside of the store. Mr. McDowell was able to leave the Allsup's after telling law enforcement his version of events.

To date, no representative of Allsup's has offered an apology to Mr. McDowell and he has not been offered any sort of recourse for the discrimination he endured. The lack of response to this incident allow the sentiment to exist that Allsup's condones the racist behavior exhibited by its employee.

Allsup's is a public accommodation within the meaning of the New Mexico Human Rights Act and Mr. McDowell was subjected to discrimination based on his race and color while attempting to purchase goods from this public accommodation. The conduct at issue impeded and burdened his ability to exercise his right to contract free of race discrimination.

Statute: Mr. McDowell was discriminated against because of his race and color in violation of NMSA § 28-1-7(F), 42 U.S.C.A. § 1981 and 42 USCA § 2000a.

This Charge is submitted to comply with any exhaustion requirements deemed a necessary precondition to civil litigation.

I want this charge filed with both the EEOC and the State or local Agency, if any. I will advise the agencies if I change my address or phone number and I will cooperate fully with them in the processing of my charge in accordance with their procedures.

I declare under penalty of perjury that the above is true and correct.
